HCM: Who, What & Why

We are alumni, family and friends of WVU.
Membership is open to all.

The mission of the Hill Country Mountaineers is...

- To promote the interests and welfare of WVU;
- To encourage closer fellowship among alumni, former students and friends of the University;
- To support civic activities in Central Texas and charitable endeavors in West Virginia;
- To assist alumni who move to our area;
- To support WVU's student athletes who compete in Central Texas;
- To maintain close contact and better understanding between the University and its local graduates

Annual dues are \$20 for an individual or a family. The membership year runs from October 1 through the following September 30.

Your dues are used to support the operations of the chapter, including web hosting, social events and watch parties. Note that volunteer members run our chapter.

A sizeable portion of the money we raise goes to our scholarship fund. Once endowed, the fund will annually award a scholarship to a WVU student from Central Texas.

Paying dues also gives you voting privileges and the right to run for chapter office.
